Requirements in brief

Our basic rules include electronic paper submission and processing, the LaTeX format following a special *AMCS* style preferred for paper final versions, copyright transfer, a voluntary page charge.

Paper submission

Paper proposals may be submitted only through our on-line submission system as PDF files. The papers will be subject to a full review procedure, and a decision on whether or not to accept the paper will be made based on the reviewers' comments.

Electronic processing

The authors of accepted papers will be requested to provide the final versions of their work as electronic word processing files preferably in the LaTeX format using our AMCS class.

Paper style

The style of papers to be published in AMCS is determined by a special LaTeX class, which is described in detail in our instructions for authors.

Copyright transfer

All authors must sign the copyright transfer agreement before the article can be published. The agreement allows protecting the copyrighted material, without affecting the authors' proprietary rights.

Page charge

Papers published in *AMCS* are subject to a voluntary page charge, which will be invoiced through the author to the author's institution. Publication, however, is not dependent on the payment of this charge.

Reprints

15 free reprints (without covers) and one sample copy of the journal are provided when the paper has been published. Additional reprints and journal copies can be ordered from the Editorial Office.

Details, submission and downloads

The complete guide for authors can be found on our website at ${\tt www-amcs.uz.zgora.pl.}$
