University of Louisville, KY, USA

Frequency: Published four issues per year; two regular and two special issues prepared by invited editor(s).

Subscription: Annual Institutional Subscription Rate 2007: Europe € 180.00. All other countries € 200.00. Prices include postage and are subject to change without notice. Subscriptions are accepted on a prepaid basis only and are entered on a calendar year basis. Issues are sent by standard mail (surface within Europe, and air delivery outside Europe).

To subscribe, send a cheque payable to the University of Zielona Góra or make a payment by a bank transfer to Kredyt Bank S.A., Zielona Góra, Poland, account No. (IBAN): PL 46 15001810 1218100386550000, BIC/SWIFT: KRDBPLPW (Postscript: *AMCS'2007* subscription).

Internet: The *International Journal of Applied Mathematics and Computer Science* is currently available on-line. Author's Kit, Scope & Profile, Subscription Notes, Editorial Information and Summaries of recent issues can be found at: <http://www.amcs.uz.zgora.pl>

Publishing and Editorial Office: University of Zielona Góra, Int. J. of Applied Mathematics and Computer Science, ul. Podgórna 50, 65–246 Zielona Góra, Poland

E-mail: amcs@issi.uz.zgora.pl

Information for Authors

Types of contribution. Research articles, review papers and book reviews.

Submission by the Internet. Submitting the paper using the Internet considerably speeds up the submission procedure. Only *PDF* files that are ready to be printed can be accepted. Go to our website <http://www.amcs.uz.zgora.pl> select **Submit** now and follow the instructions.

Review process. All manuscript are sent to at least two independent reviewers to ensure both accuracy and relevance to the journal. The final decision on acceptance will be made by the Editor-in-Chief.

Text. Typewrite with double space. Headings and subheadings for different sections of the paper should be clearly indicated and numbered using Arabic numerals. The title page should include the name and affiliation of each author, and a full correspondence address, including fax and e-mail, for the contact author. Provide an informative 100- to 250-words **abstract** at the head of the manuscript, and 5–7 **keywords**.

References. All publications cited in the text should be included in the list of references following the text of the manuscript. In the text please refer to the author's name and year of publication, e.g. (Pandolfi, 1998; 1999). Up to two authors can be mentioned in text references, e.g. (Burns and King, 1995; Rosenblum and Rovnyak, 1985); more than two authors should be shortened to the first author's name with *et al.*, e.g. (Banks *et al.*, 2000). References should be listed alphabetically at the end of the manuscript and should conform to the examples below.

Journals: Banks H.T., del Rosario R.C.H. and Smith R.C. (2000): *Reduced order model feedback control design: Numerical implementation in a thin shell model*. — IEEE Trans. Automat. Contr., Vol. 45, No. 7, pp. 1312–1324.

Pandolfi L. (1998): *Dissipativity and Lur'e problem for parabolic boundary control systems*. — SIAM J. Contr. Optim., Vol. 36, No. 6, pp. 2061–2081.

Books: Burns J.A. and King B.B. (1995): *Representation of feedback operators for hyperbolic systems*, In: Computation and Control IV (K.L. Bowers and J. Lund, Eds.). — Boston: Birkhäuser, pp. 57–74.

Rosenblum M. and Rovnyak J. (1985): *Hardy Classes and Operator Theory*. — New York: Oxford U.P.

Proceedings: Pandolfi L. (1999): *Recent results on the Kalman-Popov-Yakubovich problem*. — Proc. Int. Conf. Mathematics and its Applications, Yogyakarta, Indonesia, pp. 47–60.

Electronic publishing. In order to accelerate editing and printing, the authors of the accepted manuscript will be required to provide its final version by the Internet (source file). Most word processing formats are accepted but L^AT_EX is preferred.

Voluntary page charge. Papers selected for publication in the *Int. J. AMCS* are subject to a voluntary *Page Charge*, which will be invoiced through the author to the author's company, institution, or agency. Publication is not dependent on the payment of the voluntary *Page Charge*. 15 reprints and one sample copy of the journal are provided when the paper is published. Additional reprints and journal copies can be ordered from the Editorial Office.
